Place-based Rural
Education Partnership

How did we get here?

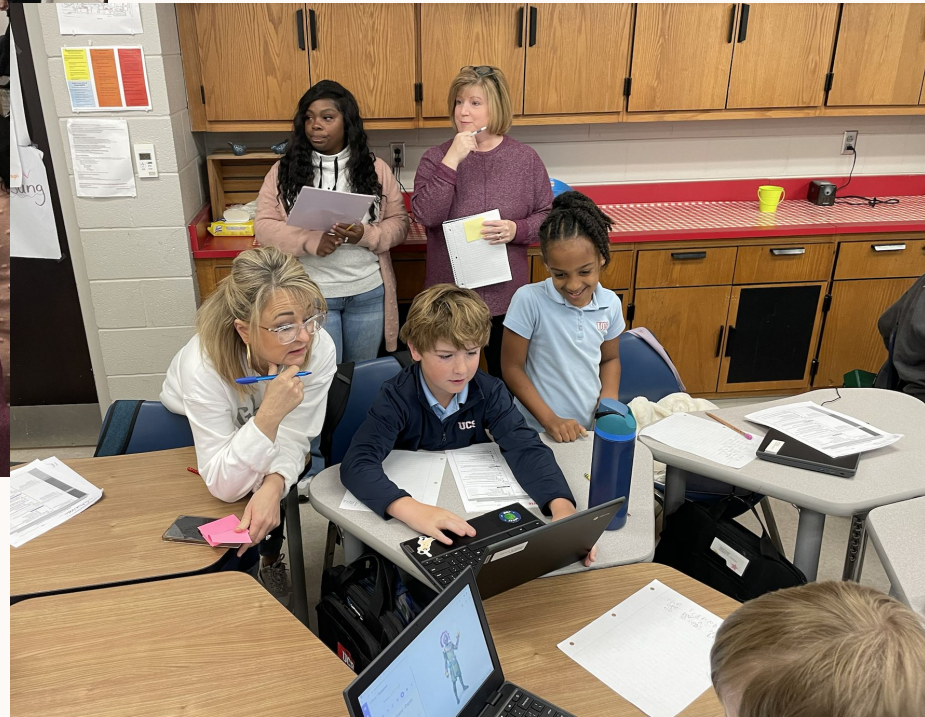

- Purpose and vision of UCS
- Lots of visitor requests beginning in Fall 2021
 - ELA curriculum adoption
 - Science of Reading Spotlight designation.
- 114 visitors to UCS last school year.
- People noticed our practices, culture, and educational model.
- Secured \$250,000 in seed funding for regional partnership work focused on improving student outcomes.
 - Funding covers substitutes and travel for all partners, plus provides food for workshops and stipends for successful completion of U-PREP work
